On-Campus Accommodation & Parking

Housing is available on site at EHL during this period. All students residing on campus benefit from an optimal setup, with easy access to school, EHL's numerous facilities, the beautiful local surroundings and regular public transport links to Lausanne.

Housing

The average monthly fee per person is between CHF 800 and CHF 1,400 and according to location, features and academic program.

This rate is subject to change depending on the progress of the development work of the new EHL Campus. For comparison purposes, a simple studio in the Lausanne region leases for approximately CHF 1,400 per month (utilities included), excluding heating, electricity, maintenance, linen (bedding and towels), wifi, and are generally for a 12 month period minimum.

General Condition

Housing and parking fees are invoiced for the duration of the academic year in which the student is enrolled. Heating, electricity and internet costs as well as bed linen, towels and weekly cleaning are included in the price. There is a tourist tax of CHF 18.50 per 15 days. This will be invoiced to students whose legal address is not in Switzerland (legal obligation) for the duration of their stay on campus.

Down Payment, Invoicing and Deposit

Down Payment (Reservation)

After confirmation of admission to EHL, students are required to pay an advance on tuition fees of CHF 6,000 in order to guarantee their place. This amount is non-refundable, except in extreme circumstances. The down payment amount will be deducted from the total amount due by the student.

Invoicing

The total amount of the compulsory fees is payable at the beginning of each academic year. The payment delay is 30 days. Once enrollment has been confirmed, students will be charged the totality of compulsory fees as a lump sum (art. 160 & ff, Code des Obligations) even if they do not take up their place at the start of term or complete the academic year. A repeating student pays the fees of the intake which he follows.

Deposit (reimbursed at the end of the EHL semester)

A deposit of CHF 5,000 will be required from all new students. This deposit is to cover any extraordinary costs which can arise during the student's studies at EHL, for example damage to rooms or other installations. The deposit will be reimbursed at the end of the student's studies at EHL. Interest earned on the deposit will accrue and be added to EHL's scholarship fund, as part of the institution's social responsibility policy for the education of students with financial difficulties. Students who abandon their studies during the academic year must inform EHL of their decision one month before the beginning of the next academic session in order to be eligible to request a refund of the deposit.

A basic health and accident insurance is mandatory by law in Switzerland. It is possible to be exempted from this insurance coverage by providing sufficient proof of adequate coverage to the Swiss authorities.

4. Swiss Authorities

Administrative taxes are collected by the Swiss authorities for students in the process of applying for a residence permit or visa. These may include other communal and cantonal fees. Amounts may vary according to the nationality of the student. Swiss authorities require students from outside the EU/EFTA to make an initial payment of CHF 18,000 before submitting a visa application. This amount will be deducted from their first invoice.
